Synopsis

This is the tale of a young boy's journey from pain to triumph.

Captain Walker didn't come home from the War. Presumed dead, his pregnant wife takes up with another man. On her 21st birthday, Captain Walker returns home to find his wife and Tommy, the son he has never met.

After witnessing the accidental murder of his mother's lover by his father, Tommy is traumatized into catatonia, and as the boy grows, he suffers abuse at the hands of his sadistic relatives and neighbors. As an adolescent, he's discovered to have an uncanny knack for playing pinball, and when his mother finally breaks through his affliction, he becomes an international pinball superstar. The price of fame is too high and Tommy chooses a simpler life with those more important to him... his Family.

The Finale

Listening to you, I get the music
Gazing at you, I get the heat
Following you, I climb the mountain
I get excitement at your feet

Right behind you, I see the millions
On you, I see the glory
From you, I get opinions,
From you, I get the story
