

Dear Friends and Supporters,

Trilogy Repertory is about to enter a new era and we hope you will be a part of it!

We have an opportunity to present a full season of productions in a state of the art cultural arts center under construction at Fellowship Village in Basking Ridge, New Jersey.

Soon we will be able to use this brand new facility and enjoy superior technical and production values. This exciting endeavor is contingent upon our ability to contribute to the construction of the **Cultural Arts Center**.

For more than 35 years, you have enjoyed Plays in the Park, Children's Theater, and many other programs at little or no cost. Many students and community members have benefited by their involvement in our productions or enjoyed being in the audience.

For the first time in our history, we turn to you for help. Enclosed is a list of ways that you can contribute to the Cultural Arts Center.

Thank you for your support!

Sincerely,

Trilogy Repertory believes that theater is a collaborative art. Whether on stage, behind the scenes, or seated out front, Trilogy wants everyone to explore the lively art of theater and find their place in it. Trilogy strives to delight and challenge its audiences and to make the Somerset Hills a better place to live, through the experience of live theater and performing arts.

The need and desire for a home for arts and cultural programs in the Somerset Hills community is without question. A public performing space that is generated from private funds, operated by a non-profit community anchor and is self-sustaining is the ideal answer.

The strategic relationship between **Fellowship Senior Living** and **Trilogy Repertory** will flourish beyond construction of the Cultural Arts Center at Fellowship Village. This seasoned and highly recognized theater company will serve as Fellowship Senior Living's "theater company in residence." Trilogy will provide high production values, offer top on-stage talent and enhance the appeal of an already vibrant community. The company will also continue to support and nurture the Fellowship Village in-house theater activities.
