Summer, 2022

Dear Residents and Friends of the Community,

Good evening and welcome to the Bernards Township Department of Parks and Recreation's 35th season of Plays in the Park.

So many of you enjoy and look forward to the plays year after year. I am excited that the Township brings this tradition *free* to the public for all to enjoy. Bernards Township proudly sponsors this event and substantially subsidizes the budget because we recognize the importance of keeping performing arts alive. It is truly wonderful that these productions are here, under the stars, in Pleasant Valley Park.

July is Parks and Recreation Month. Bernards Township offers many opportunities to enjoy family outings such as Plays In The Park. Please join us as we celebrate... details may be found on pages 13-15 of this playbill. You can stay current on all our special events by visiting our website at [www.bernards.org](http://www.bernards.org). There you will find information on the wide variety of programs we offer.

Now sit back, relax and enjoy the show!

See you in the parks,

Jennifer Gander

Director, Parks and Recreation

This program is made possible, in part, by funds from the New Jersey State Council on the Arts/Department of State, a partner agency of the National Endowment for the Arts, and administered by the Somerset County Cultural and Heritage Commission through the State/County Partnership Local Arts Program.

M & M Perrotti's Prepared Foods is rooted in a rich family tradition stemming from their parent location, Perrotti's Quality Meats, in Cranford, New Jersey. Started by two Italian immigrants, Mario and David Perrotti, back in 1967, it has become an icon to the surrounding communities. From its beginnings as a simple butcher shop, Perrotti's has expanded to a mouthwatering resource of prepared foods. Each recipe is subjected to the rigorous palettes of family members before being incorporated into the large array of house-made foods.
